Gehring Hall

A clear crisp Saturday in midwinter has just dawned, and while the rays of the distant winter sun dance upon the surface of the sparkling snow, life begins to stir in Gehring Hall.

Saturday! — the most hallowed of the seven — the one free day of respite when relaxation is the password. Let's explore this abode of fifty-eight girls and see what they are up to on their day of leisure.

Beginning our tour on Third Hall, home of all freshmen and sophomores, and a few juniors, we espy a figure, clad in bathrobe and slippers, scuffling down the hall with an immense laundry bag in tow. It seems that Tina Corliss has been neglecting her washerwoman duties of late. Suddenly Cheryl Smith, with an equally impressive bundle appears and, seeing Tina, breaks into a run. The race for the washing-machine is on!

We had supposed everyone to be up and around by now, but a glance into Myrla Mitchell and Joanie Austin's room reveals Joan still dozing, no doubt dreaming of

summer on Mt. Desert. Myrla, in the process of donning ski togs for a day on the slopes, is trying to make as little noise as possible, a rather difficult task with ski boots on.

Entering the next room, we find Mary Eaton, chief hairdresser, setting Roommate Kathy Towne's hair while Kathy gives a vivid description of the previous week's girls' ski meet, explaining just why she missed that yellow gate.

Continuing down the hall, we find Martha Gayton sitting at a letter-strewn desk, trying to decide which one to answer first. Wendy Tyson is gazing out the window, thinking of another time and another place!

Next door Sheila Bastian is expounding upon the subject of why Red China should be admitted to the United Nations in practice for the debating club's next presentation. Her audience includes roommate Abby Hartwell and a casual passer-by, Jean Thurber, who has decided to listen in.

The beat of bongo drums issues from the adjacent room. There is little doubt but that this is the home of Polly Brey-meier, who is sitting cross-legged on the floor, beating out a hypnotic rhythm while Kathy Riley shivers at the thought of braving the cold walk uptown. This frigid Maine weather is a far cry from the climate of Saudi Arabia, right, Kathy?

In Verna Philbrook and Mary Ann Chase's room we find Verna grumbling about the early hour at which she rose to wait on that morning while Mary Ann complacently continues reading *Mad* magazine.

Coming out into the main hall, we find Marsha Langley examining the fit of her new stretch pants from every angle in the full length mirror while Sarah Burgess waits impatiently.

Entering the third hall alley, we hear a resounding crash from Jill Dupont's room. Could it be that she has resorted to drastic measures concerning physics?

The nearby room is vacant, its occupant, Bev Bryant, being downstairs playing the piano.

Next door Joy Runyon, standing in the middle of the room, is fiercely concentrating on just how to execute a turn through a slalom gate.

As we retrace our steps back down the corridor, let's glance in on the inhabitants of the remaining rooms.

Loud noises are heard from Joan Boardway and Sandy White's room. As we hesitantly peek in, a chaotic scene of flying pillows meets our eyes, necessitating a hasty retreat. A little action now and then keeps life from becoming dull!

The next room offers a scene of relative calm. Sharon "Howie" Cole is attempting to enlighten her new roommate, Linette Gushee, about the many confusing aspects of dorm life.

Eleanor Lougee and Jane Allen are engaged in a spirited argument concerning the merits of basketball over skiing and vice-versa.

On our way downstairs we are met by Sylvia Smith and Patty Eames, returning from a trip uptown, laden with all sorts of tasty morsels for between meal snacks.

On Second Hall, our first left turn takes us into senior alley, home of six long-suffering, four-year seniors. Peering into Sally Burns and Hilda Andrews' room, we find Hilda debating whether she'll break down and empty the waste basket for the first time this year or leave it for her roommate, who is surveying a recently completed poster with a critical eye.

We find Freda Gammon, Betty "Kriz" King, Sandy Allen and Carol "Billie" Bilderback in a deep discussion of "life". Ah - the wisdom of the time-worn seniors!

Across the way Shirley Hendrick is in the process of pinning a giant-sized Trinity banner to the molding while balanced in a precarious position atop a stool which is resting on a chair which seems quite unstable. Jane "Parvin" Ashcraft is loudly pointing out that it just doesn't fit in with the Japanese motif and will simply *have* to go.

Out in the hall once again we are confronted by Helen Miller and Carol Wilson, who are re-creating the headless horseman's ride, causing gales of laughter from on-lookers, Pam Perkins, Liz Arata and Gloria Williams.

In Debby Hammond and Louise Kennedy's room we find Debby laboriously untangling her clothes which somehow managed to get mangled in the washing machine while Louise attempts to get ahead of the game by tackling Monday's chemistry. How long this industrious mood will last remains to be seen.

Journeying to the other side of the hall, we find Sue Hutchison loudly lamenting her shorn locks while Betty Vinton emerges from under her bed, dust-covered (you say you passed inspection??) but triumphantly holding the shoe which she was *sure* she had put in her closet.

Next door Marcia Savage is engaged in doling out *just* the right amount of food to her lively goldfish. Martha MacQuinn is lost in the interior of her closet, trying

to find something to wear to the evening's social event.

We tread noiselessly past the door of Sandy Shipp and Ann Tribou's room, which displays a "Do not Disturb" sign. Mysterious happenings afoot!

We find the trio of Madge Ward, Clarie Marx, and Debbie Appleton munching crackers and cookies. Looks sort of like breakfast was missed!

In the next room Carol Annett is sitting underneath the drier, trying to decide how to spend the afternoon. Robin Longley is curled up on her bed, oblivious to the rest of the world.

Next door Ann Ordway and Margie

Dallinger are in the process of changing this room around. But what do we do with that crazy modern light?

The unmistakable tones of Johnny Mathis identify Peg Davis and Jane Carver's room. Peg is lying in a dream-like trance on her upper bunk, unresponsive to Jane's broad hints that perhaps it's time for the Kingston Trio?

This has been but a brief glimpse into the lives of these girls; each is a distinct personality, an individual in her own right, and all contribute to life in Gehring Hall.

Holden Hall and Farnsworth House

This year we have an extremely illustrious group of boys assembled on the Gould campus. Come with me as I take a leisurely stroll through Farnsworth and Holden Halls.

As we pass through the gilded portals of Farnsworth Hall, a myriad of sounds strikes our ears. Seeking its source, we enter the domain of Lee Wilber and Dave Lombard. Lee has his hi-fi record player blaring a lively South American tune while he practices his latest variation of a rumba. Dave is patiently trying to type out his "*Blue and Gold*" article.

Just down the hall we find Ira Hubbard with a cup of thick Colombian coffee in one hand and a spiced spickle in the other, gazing longingly at some photographs of his jungle home. Upon inquiring as to the whereabouts of the other inhabitants of Farnsworth, we discover that Dave Reilly is at basketball practice, Paul Calef has gone skiing, and Glen Whitehouse and Arthur Swift are in the Holden Hall darkroom developing photos. Well,

let's see if we can find someone at home in Holden Hall.

In room five we find —. Hmm, no one is here. I guess Phil Burns is at basketball practice, but where is his roommate, Steve Bean? Why, the entire first floor is deserted! Even the pool room is silent.

Let's look in the living room. Hah, hah! I thought so. Here they are: Steve Bean, Jeff Lord, Bill Dowd, Richard Mayo, and Tom Gilbert all watching Yogi Bear on television. Robert Swain is licking Ray Weymouth in a game of cribbage at one of the side tables with Arthur Hammond looking on. At the other table are Peter Swift, Bob Amrein, Paul Imhoff and Gordon Manuel playing cards. Have fun, fellows!

Continuing on to room one, we find Arturo and Rafael Gutierrez, our two ambassadors from Cuba, throwing darts at a picture of Fidel Castro.

Now let's venture onto the second floor. Wait a minute. What's all that ruckus

coming from "the alley"? Why, it's Steve Fairbanks pounding on the door of David Miller's room.

"He has a box of my chocolate cookies," complains Steve.

Well, as I started to say before, let's see if we can find some life on the second floor. Here we are at the top of the stairs and looking straight into the room of the notorious Peter Mendall. Pete and Dave Ayers are listening to a new zany record by Johnathan Winters.

Turning left, we enter Jim Bancroft's room, filled with a distinguished group of visitors, Dick Moody, Jack Worley, John Bartash, Brad Purdy, and Brian McCrodden. Dick is presenting his views of the world situation before the attentive group.

In room twenty-four are "big John" Kelly, Alex H. Foster, Ralph Merriam and Scot Cummings engaged in a weight lifting contest. Alex is attempting to raise the heavy, swaying barbell high over his head. Look out below!

Down in the alley we find the humble abode of Russ Spooner and Dave Amrein. Russ is doing a pantomime of the Kingston Trio — all three members at once —! for the benefit of Dave.

Next door, Tony Moulton and John Pratt are deeply absorbed in the latest issues of *Sports Cars Illustrated* and *Ski Life*, respectively.

Just across the hall is — opps! Dick Wyman is sound asleep.

In the last room in the alley, it's Harry Brown, the North Waterford Wonder, versus Les Scattergood, the Boothbay Harbor Bruiser, in a fierce bout of Indian wrestling. Dave Hawkes is acting as a second for Harry, while Jeff Rutherford coaches Les.

In retracing our steps to the other end of the hall, we happen upon Brian Scothorne and his "twangy" guitar. Brian is just finishing Shubert's unfinished symphony, rock-and-roll style, while Alan Blunt does a snake dance to the exotic rhythm.

In the adjoining room are Jay Langley, Bill Call, Steve, "the kid" Parent, and Mike Davenport rehashing, for the eighth time, last week's ski meet. Such comments as: "If I had just cut that gate a little bit closer", or "If only I hadn't fallen during my first run," or "If only I had bribed that timekeeper," can be heard.

Let's peek in on Jim Weston. Why, wonder of wonders, he's studying!

Finally we come to the last room in the dorm. In it we find Topper Hamilton, Tom Hamilton — no relation — and Jim Corriveau, discussing —. Wait a minute! Did I say Jim Corriveau? Hey, everybody! Freshmen upstairs!

So ends our 1961 tour of the boys' dorms of Gould Academy.

ORGANIZATIONS

STUDENT COUNCIL

First row, (left to right): Freda Gammon, Fred Lincoln, John Kelley, Sally Burns.
 Second row: Norma Kimball, Sarah Burgess, Steve Saunders, Betty Vinton, Walter Grover,
 Ira Hubbard, Dale Lapham, Sue Kneeland.

Student Council

The Student Council, with Mr. Brewster as advisor and now in its sixteenth year of existence, is an advisory organization whose principle objects are to discuss problems arising from the student body and present its decision to the headmaster, who states the final verdict. Another of its duties is to promote school spirit, loyalty, and good citizenship. In this regard a Student Council Citizenship Shield is awarded each year to a deserving senior boy and girl.

Every year the council is responsible for certain events, such as: Parents' Day, the Christmas Formal, choosing cheerleaders, and sponsoring fund-raising campaigns. Final authority concerning the appropriation of portions of the Student Activity Fees for non-budgeted sums goes

to the Student Council. This year the Western Maine Regional Conference of Student Councils is being held on the Gould campus with the Gould Council serving as host.

The representatives of the student body to this organization are elected annually. The candidates are nominated by outgoing senior representatives and then voted upon by the classes. This year's officers elected last fall by members of the Student Council are as follows: President, Fred Lincoln; Vice-President, John Kelley; Secretary, Freda Gammon; and Treasurer, Sally Burns. Fred Lincoln was also chosen to serve as a representative of the Student Council on the Athletic Council.

The Blue and Gold

In 1960 the *Blue and Gold* resumed publication in its nineteenth year. Again under the vigilant eye of Mr. Thompson, the staff continued to turn the paper out in popular circulation among Gould Academy students, faculty, and alumni.

The *Blue and Gold* staff, taking its cue from the zeal of its spirited co-editors, Louise Kennedy and Ann Ordway, has successfully covered club activities and athletic events around the campus. In addition to editorials on current world happenings and the political scene, the paper has carried interesting write-ups on outstanding seniors.

Credit is due for all those behind the scenes who have devoted their talents to the publication of this newspaper. Sincere thanks go to the staff members, Glen Whitehouse and the Camera Club for their fine pictures, and to Mr. Carl Brown, our dependable printer. Special credit should go to Mr. David Thompson, faculty advisor, without whose counselorship and advice, the *Blue and Gold* might never be printed.

GOULD BAND

Front row, (left to right): Louise Kennedy, Julia Brown, Elizabeth Waldron, Marijane Brown, Sharon Cole, Coleen Bean, Judy Myers, Charlene Swain, Cheryl Smith, Sue Hathaway. Second row: Dave Reilly, John Bartash, Norma Kimball, Mary Head, Elinor Mills, Richard Bennett, Cynthia Freeman, Christine Stevens, Carol Flint, Cherri Douglass, Brian McCrodden, Mr. Owen, Linda Paine. Fourth row: Donna Rice, Pat McMillin, Darlene Morrill, Lorenda Freeman, Jerry Freeman, Richard Jacobs, Stephen Dock, George Eypper, Jim Bennett, Walter Grover.

Musical Activities

This year Gould Academy musical activities have increased from past years. The band, with its 39 members, had more members than in previous years. As usual, this active group put forth much effort and enthusiasm in its performances at football and basketball games. On February 4th the exchange concert, with the combined groups of Gould and Gorham, New Hampshire, was held at Gorham. The following week the combined bands put on the same concert at Gould. The band also played for Commencement. Mr. Owen, through his time and patience, has improved the band immensely during the past two years.

The William Rogers Chapman Club decided to put on an operetta this year instead of the annual spring concert. With

help from various members of the Varsity Glee Club, the Chapman Club members did *Pirates of Penzance*. This production was very successful. The officers for this year were Jim Bennett, president; Louise Kennedy, vice-president; and Debby Hammond, secretary-treasurer.

Gould had only one glee club this year, the Varsity Glee Club, but that was enough to keep everyone busy. Starting in the fall after the Parents' Day program, the members worked on *The Messiah*. On December 4th our glee club combined with the Hebron Academy Boys' Glee Club to sing *The Messiah* at Hebron. The next Sunday the performance was repeated at Gould. Much effort was expended in preparing this magnificent performance, and the results were gratifying. The Bacca-

laureate Choir and the Varsity Glee Club sang again in June for Commencement Exercises.

On November 19th Mr. Owen took several members of the band and glee club to the Western Maine Music Festival at Lisbon Falls. Two band members, Mary Jo Head and Jim Bennett, went to the All-State Music Festival, April 5th through the 8th; try-outs were required for this, making it an exclusive event. In May Gould was host for the Annual Independent Schools' Music Festival.

The dance band, with the addition of several new members, sponsored a dance

during the spring term. The members supplied the music, and the dance proved to be a great success.

As each year ends, improvements are seen in each musical organization. This is through the work of the students and willingness to cooperate. To these students much credit is due. However, without the encouragement and help from Mr. Owen, the concerts, the operetta, and the festivals could not have been possible.

Membership, after dues were paid by an appointed date, was open to all second-year French students with at least a C average and all third-year French students.

During the Christmas season the French Club held its annual Yuletide party in the library of Holden Hall. Refreshments were served, small gifts were exchanged, and games were played by all. On the next evening following supper the French Club members ventured forth be-

neath the starry sky to sing French Christmas carols, which were greatly enjoyed by all who heard them.

The French Club has also introduced the practice of having a French table in the dining room. This will enable the students to practice the language and thus to converse more freely.

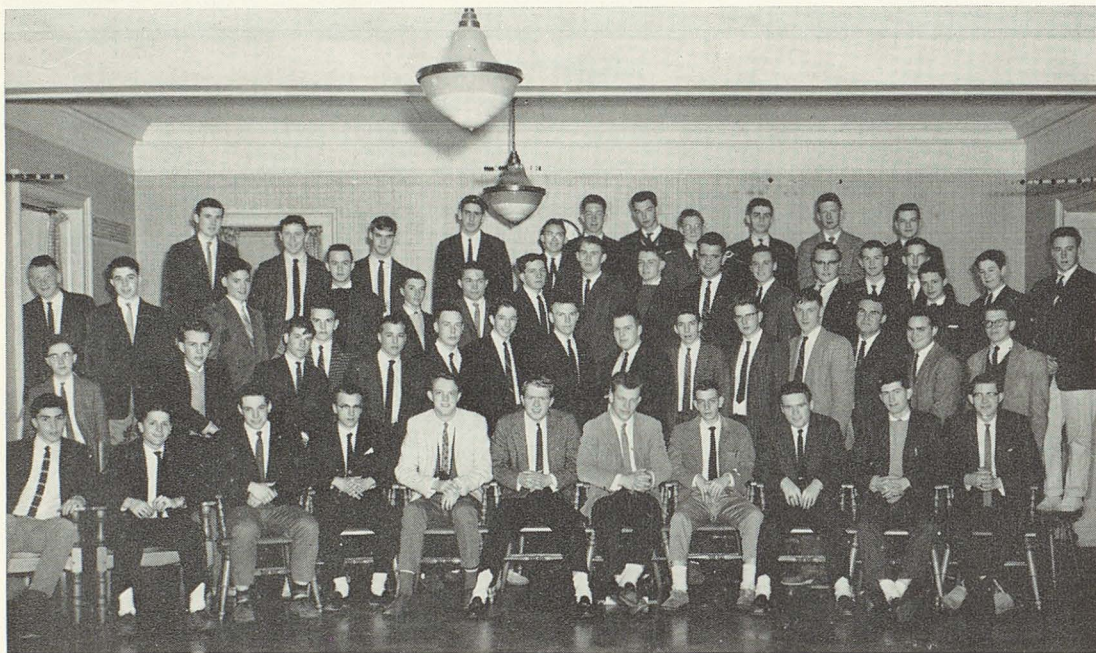

The principal event of the year was the French Club party held in the spring. In the gaily decorated William Bingham Gymnasium with the freshly stacked refreshment booth, the club members entertained with skits and the traditional Can Can.

Several worthwhile meetings were held at which Mr. Davis, assisted by his wife, showed colorful, informative slides on life in Paris. These slides were greatly enjoyed by the club.

Arts and Crafts

Under the direction of Mr. James Owen, the Arts and Crafts department has constantly progressed. This year it became part of the school curriculum and $\frac{1}{4}$ credit was given for the course.

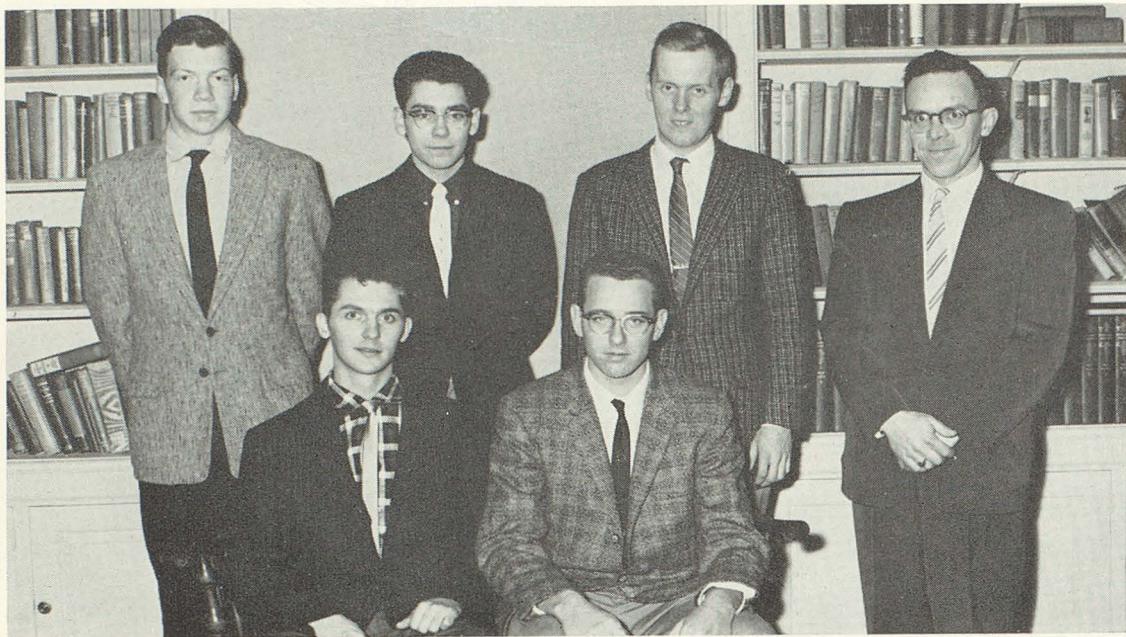

In former years classes were held once a week. Now they take place daily and the course consists of lectures, drawing, oil painting, water color, silver work, jewelry, pottery, and silk-screening.

In the autumn art students were seen sketching the beautiful foliage surrounding the campus here at Gould. As winter

settled in, they attended classes in the Crafts room located in Holden Hall. Here Mr. Owen concentrated his efforts on contour drawing—teaching the students how to observe a subject and draw it as they see it. Students soon found that anyone could learn to draw. Eventually they were exposed to the many phases of art.

Helped by the patience and skill of Mr. Owen, the students proved to be quite successful, and the artists were proud of their finished products.

Camera Club

During the second week of the school year the former members met and elected their officers: president, Glen Whitehouse; vice president, Alex Foster; secretary, Evelyn Sprague; and treasurer Dave Hawkes. The first of twenty-one regular meetings was held the following week. Meetings were held on alternate Wednesdays most of the year.

This year the majority of the members were beginners. At the regular meetings the beginning members, as well as the advanced members, were given a chance to enhance their knowledge through the facilities of many films, slide talks, and demonstrations put on by more experienced members. At the regular meetings members were presented with the basic ideas and facts and were left on their own to study photography and attain some degree of proficiency in it by use of various cameras and a darkroom.

Throughout the year the advisor held

small group meetings twice weekly in the darkroom for those who wished to attend. For seven weeks of the third ranking period he held a course in basic photography for those wishing to attain perfection in the use of a simple box camera.

Contests were held for the members several times throughout the year. Prizes were presented to the best picture entered as selected by the general membership.

Other less known functions of the club were to provide prints for publication in the *Blue and Gold*, this *Academy Herald*, along with numerous newspapers and television stations.

Looking back on a successful year under the able guidance of Mr. Jacobs, the members all hope that next year will be even better.

Future Homemakers of America

The Gould F. H. A. chapter, one of the most active organizations on the Gould campus, is one of the 10,017 chapters of the national organization of the Future Homemakers of America.

Working to emphasize their over-all goal, to help individuals improve personal, family and community living, now and in the future, the thirty-nine members hold meetings twice a month under the leadership of the executive council consisting of: president, Dixie Lea Brown; vice president, Louise Lincoln; secretary, Melanie Bernier; treasurer, Loretta Blake; parliamentarian, Sandra Hatch; social and recreation chairman, Melvina Learned; historian, Roma Bennett; and public relations chairman, Sharon Benson.

Projects and activities are developed from the four objectives of the National

Program of Work. This year the chapter has been working on the two objectives, (1) To interpret the value of home economics as a basic part of our total education and, (2) To develop a better understanding of our family members and contribute to their well-being. Some of the activities have been speakers at meetings, news articles related to the values of homemaking and F.H.A., and talks to P.T.A. meetings on Civil Defense and a display of Grandma's Pantry, and discussions on the work of the F.H.A. at an extension meeting.

Fund-raising projects the F.H.A. chapter carried out are selling candy, U.N. cookbooks, and putting on Friday-night dances.

The district convention was held in the fall at Farmington High School. Many members had a part in the program, work-

ing with the theme, "Teens Manage Money." Loretta Blake served as vice chairman of this year's meeting. Linda Nickerson was elected for the coming year as district secretary.

The state convention was held in the spring at Augusta. The theme was developed from the National Convention. "Home—The Hub of Good Citizenship."

The members of the Gould Academy F.H.A. chapter conducted a pilot study to help State Secretary Dixie Lea Brown, who was chosen National Vice President of the North Atlantic Region in Washington last summer, with her national project.

Louise Lincoln, a delegate from the state of Maine, attended the National Convention in Washington last summer with Miss Minot and Dixie Lea Brown.

Under the helpful guidance of their advisor, Miss Minot, the girls strive to accomplish eight purposes in their activities and projects: (1) to promote a growing appreciation of the joys and satisfactions of homemaking; (2) to emphasize the importance of worthy home membership; (3) to encourage democracy in home and community life; (4) to promote international good-will; (5) to work for good home and family life for all; (6) to foster the development of creative leadership in home and community life; (7) to provide wholesome individual and group recreation; and (8) to further interest in home economics.

1960 SENIOR PLAY, WAKE UP, DARLING

(Left to right): Lorraine Cole, Ben White, John Todd, Steve Watson, George Elliot, Sue Saunders, Janet Hill.

Dramatics

On February 18, 1961, 8:00 p.m. in the William Bingham Gymnasium, the curtains rose to a thundering applause. This was the annual presentation of the three one-act plays directed for the first time by Mr. Frank Vogt.

Our favorite, Gary Hill, gives his son, Timmy Brooks, shaving lessons in the first presentation, "His First Shave." Mrs. Morton, Sharon York, takes this situation in hand and referees the teenage battle between him and his bratty sister, Sharon Cole, who insists on calling him "Peach-fuzz" in front of Janet, Jane Allen, his new girl friend.

In the second play, "Box and Cox", Cheryl Douglass, an English landlady, causes much upset between Box, Richard Moody, and Cox, Stan Howe. This amusing presentation, taking place in a London rooming house, reminds one of the old saying, "Crime does not pay."

"Truth is for the Birds" put poor Bitsy Bird, Gloria Williams, on the spot. It seems her husband, Bill, Walter Grover, suddenly finds her tactless, and her close friends, Carol Wilson and Coleen Bean, find her opinions much too critical. Subtle Mrs. Partridge, Carol Young, listens attentively and adds witty remarks every now and then. However, in the end we find a happy Bitsy Bird and a well-contented Mrs. Partridge.

The Senior class of 1961 presented *The Many Loves of Dobie Gillis*, May 5, 1961, in the William Bingham Gymnasium. Fickle Dobie Gillis, Richard Ramage, still finds girls by playing hard-to-get. But Dobie turns on the old Gillis charm in order to catch sophisticated Helen Dixon, Debbie Hammond. Enthusiastic Bonnie Willet, Gloria Williams, never gives up an attempt to hook her guy, Dobie Gillis. It all starts with a little ferrous sulfide and the suspicious chemistry teacher, Miss

Farepaugh, Pam Perkins. Notifying Mr. and Mrs. Dixon, Jim Bartlett and Jane Ashcraft, Principal Harrington, Paul Calef, looks into the matter a little more closely. He finds newspaper editor and football hero, Petie Bellows, played by John Kelley, a little on the guilty side.

Others in this three-act comedy are:

DEBATING CLUB

Front row, (left to right): Sheila Bastian, Merry Ring. Second row: George Morse, Tim Brooks, Nikki McMillin, George Eypper, John Bartash, Trafton Foster.

Debating Club

During this, the third year of its existence, Gould's debating club has developed into one of the most active organizations on campus. Under the diligent tutelage of Coach Vinton and President Merry Ring, its members progressed greatly in their knowledge of debating skills during the '60-'61 season.

Every Tuesday at activity period, strange shouts and voices could be heard coming from Room 206A. These noises were Gould's debaters testing their voices in a discussion, practice debate or Oregon debate.

In the fall the chief discussion topic was the coming election; after November 8, however, the club settled down to the Bates College discussion topic: How might the United Nations be significantly strengthened?

On November 12 some of the group went to listen to and take part in the Bates discussions. In the novice division George Eypper was first in his group, and Trafton Foster tied for first in his. In the expert division Merry Ring placed fourth in her group, and Sheila Bastian placed sixth in hers.

On December 3 Gould students participated for the first time in the Bowdoin College Interscholastic Debate Forum. Trafton Foster and George Eypper placed Gould a fair fifteenth out of twenty-three competing schools. The club hopes to do better next year, entering four debaters instead of two.

On December 13 a debate was held in assembly on the national topic: Resolved: that the United Nations should be significantly strengthened. The affirmative side

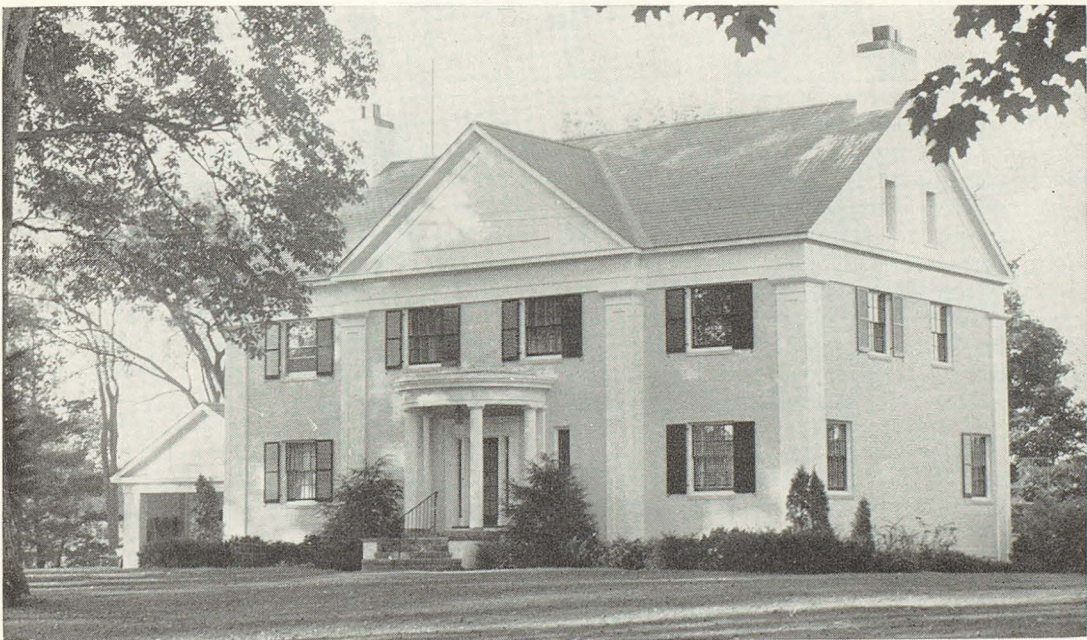

made a clean sweep of the faculty's votes and won overwhelmingly in the student body.

In the spring more debates are planned including those for the state championship. Several members of the club are looking forward to these. Last year Gould's teams

did well in these debates, and the club is hoping to do even better this year.

1960-1961 has been a successful and productive year. All members are hoping that next year will be even better.

OUTING CLUB EXECUTIVE COUNCIL

Front row: (left to right): Nancy Cole, John Kelley, Gary Hill, Ann Ordway. Second row: Steve Saunders, Marcia Savage, Lester Scattergood, Sharon Cole, Peter Mendall.

Outing Club

The executive council of the Gould Academy Outing Club was organized at the beginning of the present school year. The members were elected by the students who belong to the Outing Club. The main purpose of this group is to plan and organize the activities of the club for the school year. If a detail or a problem comes up before the council, a member is appointed by the president as the head of a committee which will look into the matter.

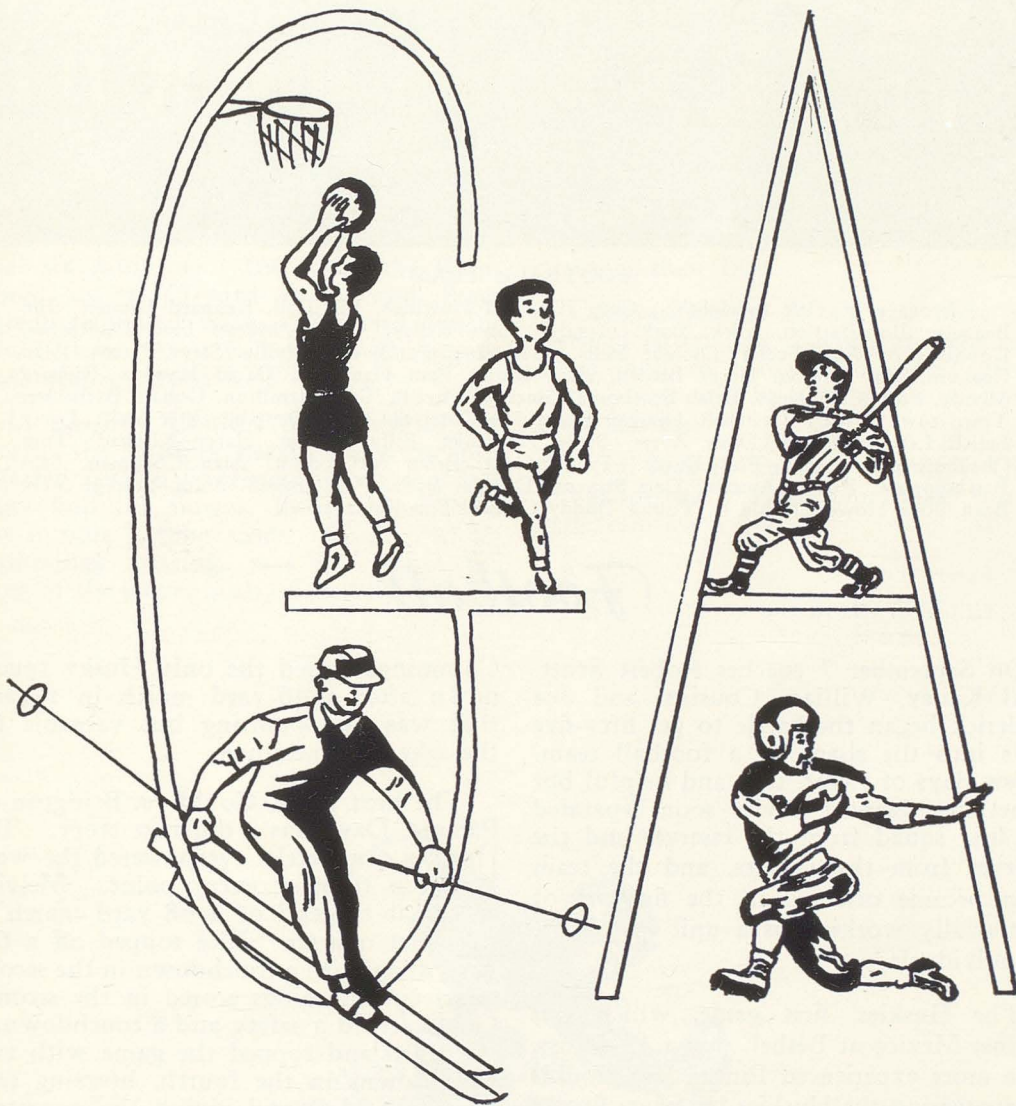

At present, this group has organized the mountain climbing trips, ski trips, planned

the Winter Carnival, and has repaired the Outing Club's cabin, which is on a small plot of land outside of town beyond the former Bingham residence. It also helped run the New England Interscholastic Ski Championships.

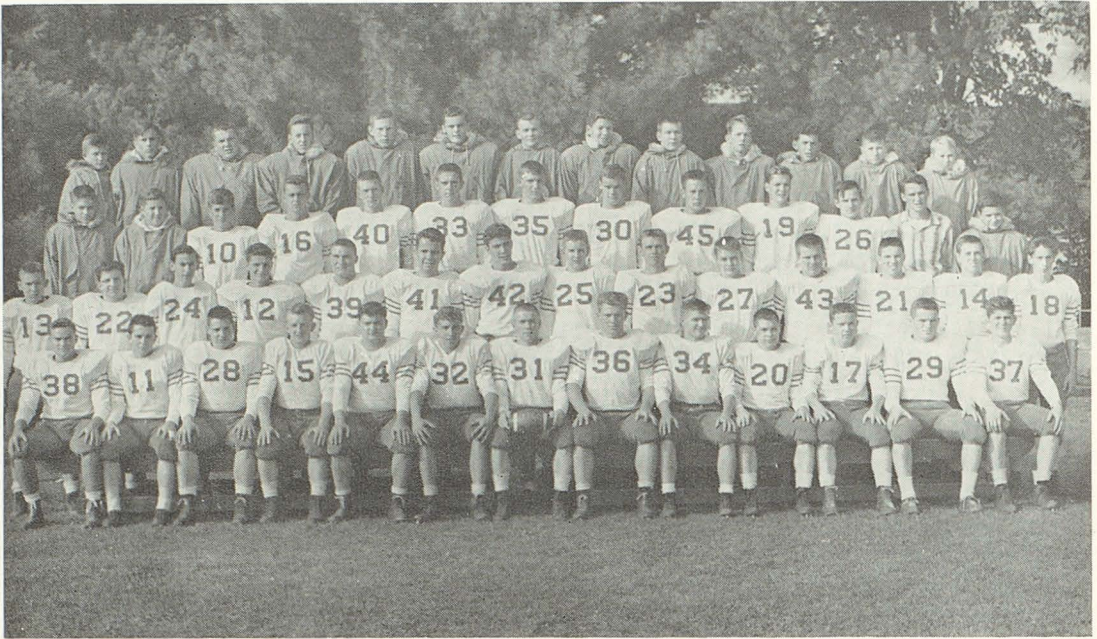

The officers are as follows: John Kelley, president; Gary Hill, vice-president; Ann Ordway, secretary; and Nancy Cole, treasurer.

Football

On September 7 coaches Robert Scott, Paul Kailey, William Cousins, and Joe Roderick began the battle to get fifty-five boys into the shape of a football team. A few days of sweat, toil, and helpful but sometimes resented advice soon separated the first squad from the reserves and the reserves from the jayvees, and the team soon became oriented in the fine art of successfully working as a unit instead of as individuals.

The Huskies' first game, which was against Mexico at Bethel, was a 12-6 loss. The more experienced Pintos had trouble overpowering the Huskies but were finally able to cinch the game. Quarterback Scott

Cummings scored the only Husky touchdown after a 46-yard march in a game that was disappointing but valuable for the sake of experience.

The next game, Gould vs. Bridgton on Parents' Day, was a different story. The Huskies completely overpowered the weak Bridgton team at every point. Melville scored at the end of a 68-yard march in the first quarter. Rice topped off a 60-yard drive with a touchdown in the second quarter; Cummings scored in the second; Gould scored a safety and a touchdown in the third and topped the game with two touchdowns in the fourth, breezing over Bridgton 41-0 and giving the parents a pleasing show.

Next Gould traveled to South Paris to meet the unbeaten Cardinals. Here the game was a duel between the air attack of Gould and the ground attack of powerful Paris. Cummings accounted for both of Gould's touchdowns with a line plunge and a pass to Scattergood. The hard-fought game was a credit to the Huskies even though they lost 14-12.

The Huskies next met undefeated but outclassed St. Ignatius for the first time and romped 47-0 in a clearly one-sided match. Parent scored three times for the Huskies and Alex Foster twice. Don Rice and Dick Moody accounted for the other scores, Cummings contributing to all the touchdowns with fine passing and running. St. Ignatius never once seriously threatened to score.

In a very exciting game, Gould next played to a 6-6 deadlock with the Norway Rams. With all the scoring done in the final six minutes of the game, the Rams scored on a 75-yard drive, and Steve Parent retaliated with a 30-yard touchdown three plays before the final gun. Both teams played well.

In possibly Gould's best game of the season, the Huskies nearly upset the undefeated Lisbon Greyhounds but couldn't quite find the power, losing 13-7 by a last minute Lisbon score. Gould, led by Cummings' passing, was in control for most of the game, both offensively and de-

fensively, but was beaten by bad breaks and an aggressive Lisbon team. Cummings and Melville accounted for Gould's hard-earned seven points in the first quarter.

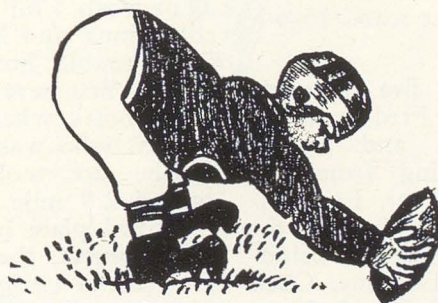

In the last game of the season, Gould whipped Fryeburg, who hasn't beaten the Huskies since 1944, by a score of 19-7. Foster, Parent, Cummings, and Melville were instrumental in Gould's victory with touchdowns, key passes, and bonus points. A fumble in the second quarter made Fryeburg's one touchdown possible after a 42-yard march.

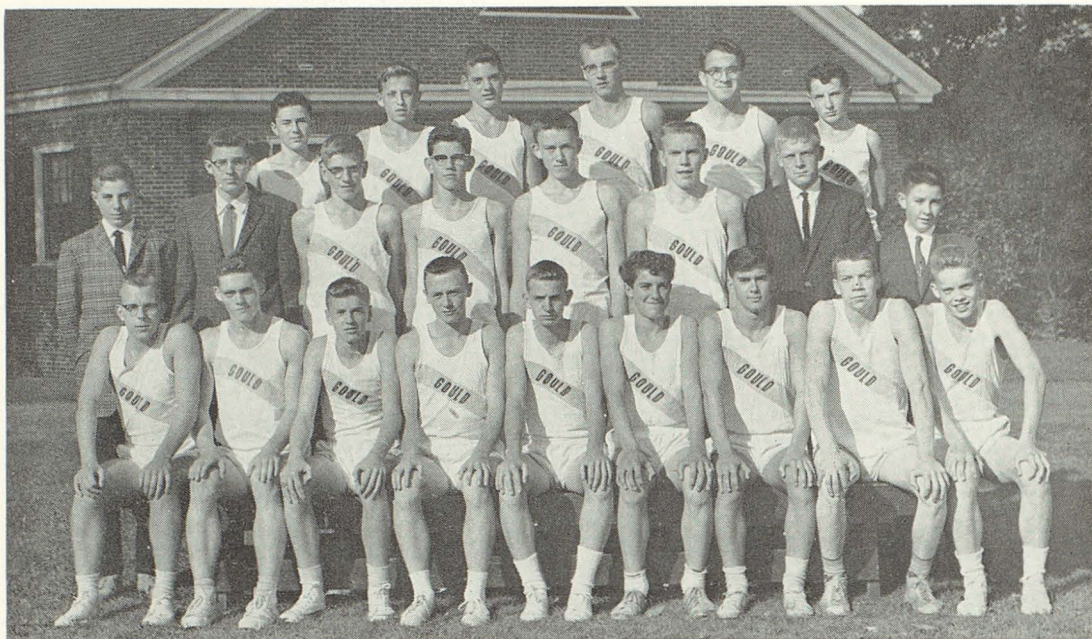

The Huskies left the field and the season with a record of 3-3-1 and many happy memories. The seniors were a little sad when they took off their familiar uniforms, some for the last time ever. A season such as this is a credit to a team of hard-working boys and is one that will be proudly but nostalgically remembered by those that are coming to the end of the best years of their lives.

Congratulations to all the boys who received letters, the coaches, and the managers, and to those who didn't earn a letter—you will be next year's starters so keep fighting.

Good luck to Captain-elect Scott Cummings for the 1961 season. Make this the best team ever!

CROSS COUNTRY TEAM

Front row, (left to right): Steve Saunders, Rupert Grover, Allan Ting, Eddie Tibbetts, Paul Calef, captain, Fred Judkins, Fred Lincoln, Georges Damone, Richard Grover. Second row: Gordon Manuel, Dave Lombard, manager, Dale Lapham, Chris Angevine, Tim Brooks, Richard Wyman, Bill Dowd, Raymond Weymouth. Third row: Robert Swain, Clifton Jackson, Arthur Hammond, Lee Wilbur, Richard Jacobs, Clarence Remington.

Cross Country

On Thursday, September 7, some twenty cross country candidates reported to the field house for practice, beginning a rigorous but successful season. Mr. Vogt, the new coach, put the boys through two weeks of rugged practice sessions before the first meet was held with Fryeburg. Enthusiasm was high, and spirit was excellent, all adding to an overwhelming victory over an outclassed Fryeburg squad by a perfect score, 15-50, a rarity in cross country.

The squad was led by five returning lettermen: Fred Judkins, Fred Lincoln, Paul Calef, Alan Ring, and Rupert Grover. Veterans returning from last year's squad were Dan Grover, Lee Wilbur, and Rick Wyman. Rounding out the order were some fine new recruits including Ed Tibbetts, George Damone, Chris Angevine, Tim Brooks, Ralph Jackson,

Dick Jacobs, Arthur Hammond, Richard Lapham, Clarence Remington, Steve Saunders, and Bob Swain. Dave Lombard, the manager, in addition to the above named, helped to create a well balanced squad which fared well in statewide competition.

The second meet of the season was held on October 4 at Mexico in a triangular affair with Phillips, defending class "S" champions, and Mexico. The Huskies had little trouble, however, by taking six out of the first seven places. Gould got a lucky break when Larry Ellis, a Phillips runner, who was leading in the first half of the race, took a wrong turn on the rugged 2.9 mile course and had to settle for third place behind Fred Judkins and Ed Tibbetts, the former finishing in the fine time of 14:34, only a second ahead of Tibbetts. Gould took the next four places

with Paul Calef finishing fourth, Alan Ring fifth, Dan Grover sixth, and Fred Lincoln in seventh position.

On Tuesday afternoon, October 11, the squad made it four straight victories by humbling Portland High School, former class "L" champions, to the tune of 19-44, the lowest score winning in this grueling sport. Ed Tibbetts took first place honors by covering the 2.6 mile course in 14 minutes and 37 seconds, outlasting John Ives of Portland in a close duel. The hosts again bunched the finishers in taking seven out of the first eight places, with Fred Judkins third, Captain Paul Calef fourth, Fred Lincoln fifth, Alan Ring sixth, Dan Grover seventh, and George Damone eighth.

Running on one of the coldest days of the season with a steady rain plaguing the thinclads, the Huskies easily took a trimet with Phillips Academy and Bridgton High School, with another near perfect score. Ed Tibbetts again bested Butch Ellis, Phillips' ace runner, in 13:23 on the home course; Fred Judkins finished third, followed by Dan Grover, Paul Calef, Alan Ring, and Fred Lincoln in that order. Bridgton, a school competing in cross country for the first time this year, found the competition a little too rough for them, managing to get only one in the top ten.

On October 25 an unfortunately over confident squad traveled to Hebron where they tasted defeat for the first time of the season, the score being Hebron 19 and the Huskies 42. Bob Babcock of Hebron won the race in 13:48 over the 2.5 mile course. Alan Ring and Paul Calef were the only other Gould competitors to finish in the first ten, placing 8th and 9th respectively.

On Thursday, November 3, a well balanced Gould Academy cross country team walked off with third place medals in the state meet held on the University of Maine campus in Orono. The Gould team was nipped by Piscataquis and Gorham, the winner. Ed Tibbetts covered the rain soaked 2.5 mile course, finishing in eighth place. He was followed by teammates Fred Judkins in 19th position, Alan Ring 21st, Dan Grover 33rd place, and Paul Calef in 44th position to complete the scoring for Gould. Fred Lincoln was 50th and George Damone wound up 72nd.

Good luck to Captain-elect Ed Tibbetts and his team of 1961; congratulations to the team, the coach, and the manager for a successful season resulting in a 7-1 regular season record.

Baseball

The arrival of spring in 1960 brought forth another highly successful season for the Gould baseball team. The Huskies had five returning lettermen, including Jeff Hutchins, Don Rice, Pete Wheeler, Doug Rice, and Captain Steve Watson. Although they could not defend their Western Maine Conference leadership, they still compiled a record of eight wins and three losses, which was topped only by Paris, the W. M. C. conqueror.

As the March winds slowly crept away, the Gould lads met and started their seasonal practice in the useful cage. On Friday, April 15, 1960, the team worked out on the field for the first time. Less than a week later the lads met Rumford in a traditional spring practice game. The very next day they met Gorham, N.H., with whom they were to play a two-game series, the second taking place at Gorham. After finishing off their pre-season prac-

tice foes, the Gould Academy baseballers began their 1960 schedule, which was as follows: April 26, at Norway; April 29, Mechanic Falls; May 3, Mexico; May 7, Paris; May 14, at Fryeburg; May 17, Bridgton; May 20, at Paris; May 26, Norway; June 1, at Mechanic Falls; June 3, at Mexico; June 4, at Bridgton.

The opening game lineup was as follows:

Doug Rice	Shortstop
Pete Wheeler	Centerfield
Don Rice	Second Base
Steve Watson	First Base
Jeff Hutchins	Third Base
Dave Salway	Rightfield
Fred DesRoches	Catcher
Dick York	Leftfield
Steve Saunders	Pitcher

Tuesday, April 26, at Norway: The home forces made their 1960 debut in the

W.M.C. a successful one as they trounced Norway twelve to one. While southpaw Steve Saunders held the Norwegians to six scattered hits, his teammates were busy pounding out eighteen hits. Don Rice and Steve Watson set the pace at the plate with five and three hits respectively.

Friday, April 29, Mechanic Falls: A four-run outburst in the first inning by the McFalls crew wasn't quite enough as the home team rallied for a seven to four win. A fine relief job by Dick York helped to provide the victory. The big blow of the game was a three-run homer by Doug Rice in the second stanza.

Saturday, May 7, Paris: The Paris Cardinals dealt the Gould lads their first set-back of the year in an uphill thirteen to seven victory. The Paris club hammered two Gould pitchers for thirteen hits. The visitors took advantage of many of the hosts' errors, which also played a big part in the victory.

Tuesday, May 17, Bridgton: Because the Bridgton field was not in playing condition, the game was forced to be played at home. With junior ace Dick York hurling a neat four-hitter and his teammates punching across seven runs, the Gould nine broke back into the win column with a seven to five win. Again Doug Rice provided the big blow, a towering home run in the first inning.

Friday, May 20, at Paris: Again Gould was on the short end, as Paris proved their superiority with an impressive seven to five win. Although the Huskies out hit the Paris lads twelve to five, they could not put together any one big rally. The Cardinals' defense again played a big part in the victory. The win almost assured the hosts the Western Maine Conference Championship.

Thursday, May 26, Norway: A neat seven hit pitching performance by Dave Stowell produced a lopsided twenty to four victory. Stowell got strong hitting support from all his teammates as they banged out fifteen hits. The big guns were Owen Melville and Doug Rice, who collected four hits apiece. Jeff Hutchins,

as usual, turned in a fine defensive game.

Friday, June 3, at Mexico: Again relief ace Dick York was called upon to provide for the victory. After the Pintos rallied for a three to two lead in the fourth, York made his appearance and held the hosts in check the rest of the way. A two-run fifth pulled the home forces through. A Pinto rally fell short in the last inning as the Gould defense held.

Saturday, June 4, at Bridgton: While the Huskies traveled to Bridgton to close out their W.M.C., their hopes of ending it in a winning way were dampened when their opponents jumped off to a ten to nothing lead in the first two innings. Again the Gould defense failed to hold as the Bridgton lads scored as a result of the many errors.

With the 1960 schedule already completed, the Huskies still had one task to finish, to face the always tough alumni team. The return of the 1950 State Champ team was to be the big attraction. While Ronnie Kendall gathered as many of the '50 team members as he could, a few other alumni recruits were placed on the tough alumni team. Although Ronnie Kendall could not make the occasion because of a sudden addition to the family, much thanks is issued for his work to produce such worthy opponents for the varsity lads. Those returning from the 1950 team were as follows: Dick Marshall, shortstop; Bob Hamilton, right-field; Charles Smith, leftfield; and Clint Mason, pitcher. Also representing the alumni team were the following: Bud Kneeland ('45), Dave Willard ('56), Jim Hill, Captain ('58), Kermit Allen ('45), Tim Richardson ('57), Dick Saunders ('58), Bob Felt ('59), Herb Adams ('54), Carl Wight ('46), and Al Summer ('59). After the alumni had had a good workout, the Huskies took the field. The alumni made a good appearance but began to show signs of weakness in the late innings which led to a seven to five win for the young lads. Although the "old timers" tasted defeat, they took it accordingly and made their way slowly to the refreshing showers.

With the baseball season over, the Gould Academy squad lost three starters, those being Pete Wheeler, Doug Rice, and Captain Steve Watson. The outlook for next year's team is very bright with eight lettermen returning.

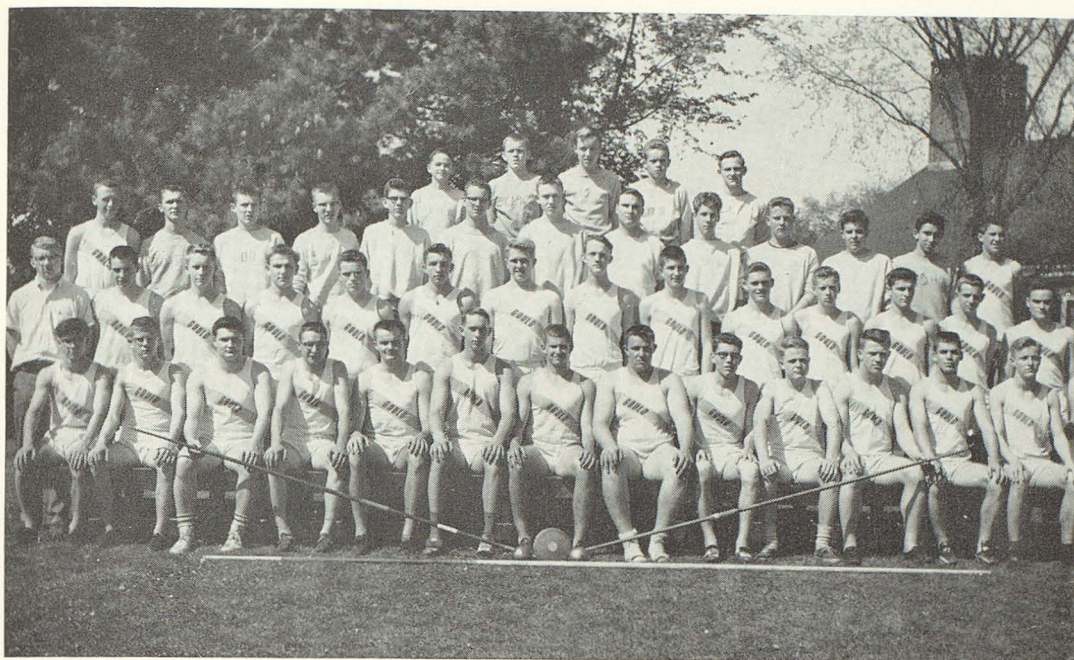

In a balloting following the season's closing, Don Rice was elected to captain next year's team.

Fourth row: Delmar McMillin, Arthur Pingree, Walter Grover, Daniel Grover, Harry Kimball.

Track

Spring of 1960 found Coaches Rod-erick and Scott busily assembling the Gould track team. They soon discovered that they had several individual stars but lacked depth in some events, particularly the sprints and the high jump.

Gould's first meet of the season was with Stephens High at Rumford. Here Gould succumbed to a powerful Rumford team, led by Fran Bedard, who racked up more than his share of points. The featured events of the afternoon were the mile run, in which Gould's Don Angevine placed second to Rumford's McDougal, and the half-mile run, in which Angevine grabbed first place, followed by McDougal. Pete Karpowich, Mike Hathaway, Don Angevine, and Fred Lincoln

all starred for Gould.

The following Saturday, May 8, Gould faced Farmington on home grounds. Perhaps defeat a week earlier spurred the Gould team on to a resounding victory, or possibly Farmington's team was actually as bad as it seemed; whatever the reason, Gould won the meet 103 to 14, taking every first and sweeping several events. Pete Karpowich paced Gould with firsts in the pole vault, high hurdles, and 440 yard dash. John Kelley, winning the high jump and javelin, and Don Angevine, capturing the mile and half-mile, were also big winners for Gould.

After a free week-end Gould returned to Rumford on May 21 to defend its long-

held Oxford County track title. The tables were turned this time, though, and Gould was again forced to settle for a second place to Rumford's first. Bedard again showed well for Rumford, while Don Angevine and Captain John Todd led the Gould point-getters.

On May 28 the Gould track team journeyed to Bates College in Lewiston to protect its Androscoggin Valley track title. Gould proved its consistency by again placing second to a well-balanced Stephens High team and surrendering its Andy Valley title to them. Lewiston was third, followed by Edward Little and Morse.

Pete Karpowich, Mike Hathaway, and Don Angevine picked up Gould's firsts in the pole vault, discuss, and half-mile respectively. John Kelley, Captain Todd, Jim Bennett, Jim Weston, Fred Lincoln, Stan Clark, and Ed Tibbetts also picked up valuable points, as did the Gould relay team, in competition for the first time.

After spending the night of June 3 in Pittsfield, the Gould team continued on to Bangor for the State Track Meet. Winslow High, last year's champion, repeated their well-balanced performance this year with Gould capturing second place. Don Angevine grabbed Gould's only first place wins with his victories in the mile and half-mile runs. Pete Karpowich and Fred Lincoln also performed well in several events. Gould's relay team in its second outing ran a split second behind the state record, but this was only good enough for second place.

Although Gould won only one track meet, it placed second in the other four and has every right to be proud of its record.

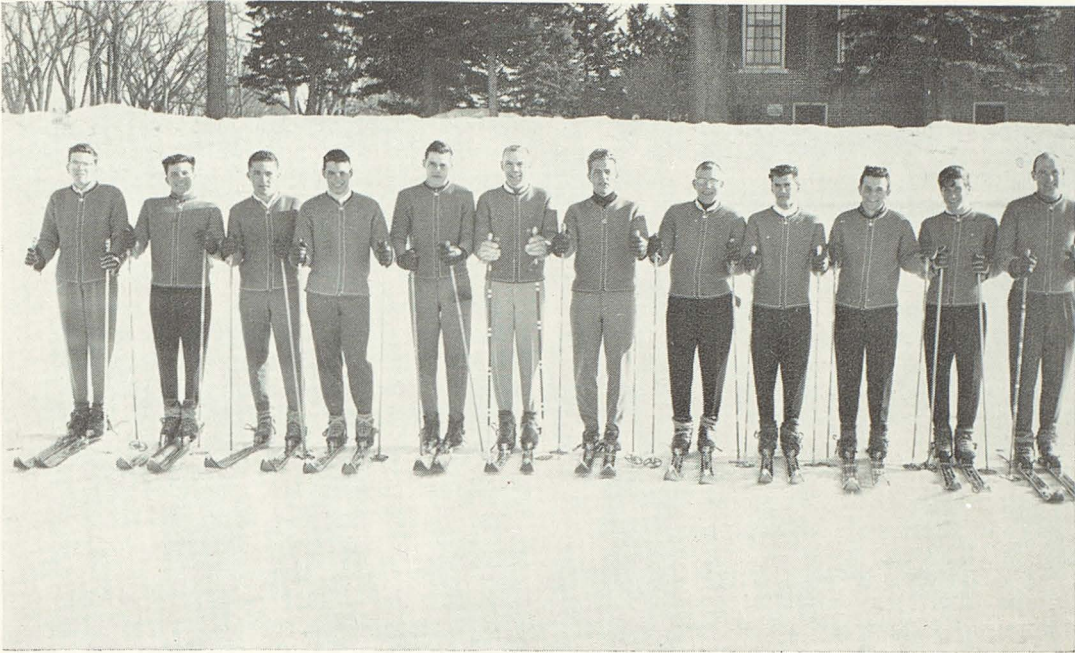

The spring of 1961 will find Coaches Roderick and Scott again assembling a track team, captained by John Kelley, and they have every right to look forward to another successful season.

Skiing

The team was blessed this year in having returning lettermen, Fred Lincoln, Nelson Smith, Jay Langley, Pete Davis and Captain Bill Call. We were also fortunate to have with us Steve Saunders, Steve Parent, Rick Wyman, Jim Corriveau and Manager Ira Hubbard.

On January 8 the Gould team traveled to Holderness School for their first meet; other contenders were Kimball Union Academy, Andover and Hebron. After the slalom, Gould led by six points with finishes third, fourth, twelfth, thirteenth and fourteenth. The giant slalom was won by K.U.A. Gould held their own in the jumping with Parent, Hutchins and Davis all tied for second. The cross country, a mass start, started late and finished in the dark. When the results had been carefully re-figured, Gould was declared the winner by four-tenths of a point.

On January 20 and 21 Gould was edged out by a strong Lyndon team. Lyndon started off by taking the cross country Friday afternoon. Gould won the giant slalom, but the slalom was their downfall. In the jumping the Huskies picked up two and one half points, but it was not enough.

Friday, January 27, was a bad day for the Gould team. Edward Little defeated them badly in the giant slalom. The Huskies were able to pick up a couple points in the slalom, but E.L.'s five point lead in the cross country seemed to be the deciding factor. Gould picked up only a half point in the jumping. E. L. won the meet by six points.

When the boys traveled to Kennett the following week, they were out for blood. The boys made a fine showing at the Alpine events on Friday afternoon, with Jay Langley a double winner. Despite adverse

weather conditions, the Huskies finished in first place with Fred Lincoln, Steve Saunders, Ed Tibbetts, Jay Langley, Steve Parent, and Nelson Smith, first, fourth, fifth, eighth, ninth and twelfth, respectively. Gould did well in the jumping, and defeated both Kennett and Hanover by a comfortable ten points.

On Friday, February 10, the Huskies picked up a six point lead in the State Championships. Gould won the giant slalom by getting four of the top six places. In the cross country Fred Lincoln was state champ while Gould won the event by almost a point. In the slalom Jay Langley became our second state champ. Gould lost four points in the jumping, but their ten point lead offset this, and they won by six points.

On Friday, February 17, Steve Parent became the New England giant slalom champion. He was backed by Langley's second, Corriveau's seventh and Wyman's ninth. E. L.'s strong cross country team turned the tide in their favor Friday afternoon. Gould's top finishers were Lincoln, fifth, and Saunders, thirteenth. Saturday morning Gould cleaned up the slalom with

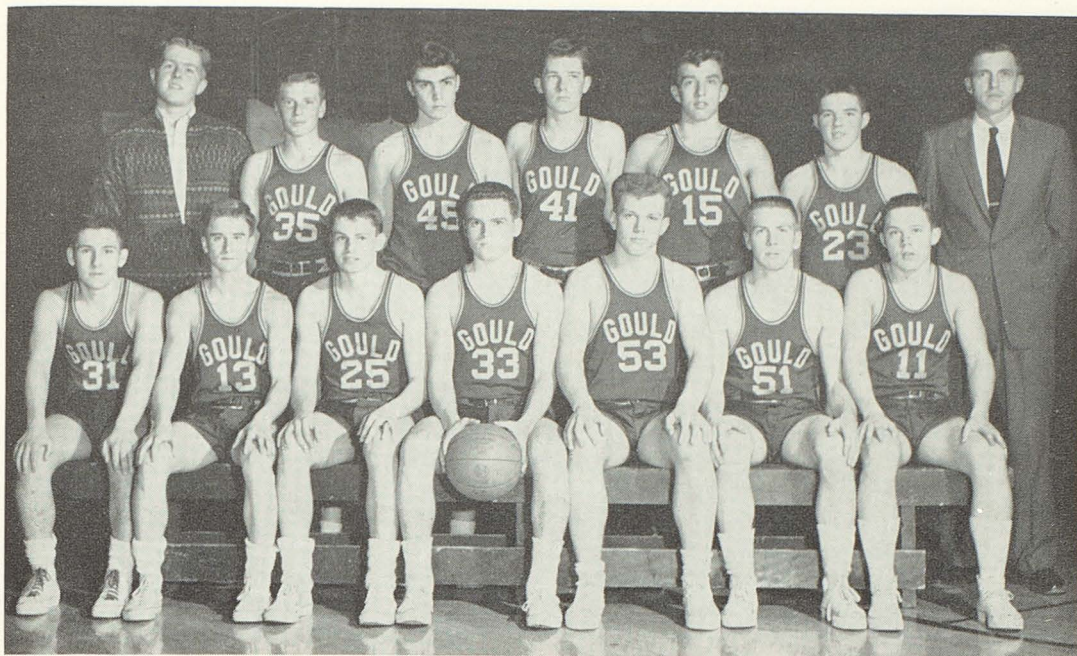

Langley, Parent, and Call, first, second, and sixth, respectively. Corriveau, Wyman and Saunders finished in that order, all with outstanding runs. In the jumping Saturday afternoon, Davis finished third, Parent seventh and Lincoln tenth. Gould won the New England Championships by eight points. Steve Parent of Gould was named New England Skimeister.

This was the first year in Gould's history that it had a J.V. squad. Many thanks go to all who participated and aided in getting this team organized. They had a good season, thanks to the efforts of their coach, Mr. Barth.

Many thanks are extended to Coach Paul Kailey for his help and also to all those who made the home meets successful. This year the team is losing Fred Lincoln, Jeff Hutchins, and Captain Bill Call. In spite of the loss, Gould's future prospects look good. The best of luck to the team and Captain-elect Steve Saunders next winter.

VARSITY BASKETBALL TEAM

Front row, (left to right): Owen Melville, Richard Ramage, Scott Cummings, Alex Foster, captain, John Kelley, Richard York, Don Rice. Second row: Dave Reilly, manager, Allan Ring, Paul Hamilton, David Lombard, Jim Bartlett, Emerson Merrill, Mr. Berry.

Basketball

On the afternoon of November 1, nearly thirty-five energetic and enthusiastic boys, some who were last year's lettermen, some who had a little knowledge of the game, and those who knew not the difference between a field goal and a free throw, reported to the field house for their first drills of the season under the coaching of Mr. Francis Berry and Mr. George Bowhay.

It proved to be a rather rough season for the hard-working basketeters, who had the spirit and ability but lacked an evenly balanced attack, their record standing two wins and twelve losses as the campaign drew to a close. Many thanks go to Coach Berry for all his hard work and patience.

At Berlin, New Hampshire on Wednesday, December 7, Gould Academy opened its 1960-1961 basketball season, losing to Notre Dame by the score of 53-44. Although this was Gould's first game and

Notre Dame's sixth, the Huskies' chances still looked relatively good, but experience paid off and the hosts, led by Mike LaMoureux, who scored 36 points, clinched the victory. John Kelley and Scott Cummings were the high scorers for the invaders with 12 and 11 points, respectively.

Back on their home court, Fryeburg squeezed out a hard fought 46-37 win over the home team. Splitting 17 points between them Dick Ramage and John Kelley paced the Huskies, while the visitors were led by Dave Wing.

In the next outing South Paris pulled away in the second half to outdistance Gould Academy, 60-41. Captain Alex Foster and Dick York shared the scoring honors, combining for 30 points in a losing cause.

In a free-scoring and fast-moving game at Bridgton on December 15, the Gould

Academy Huskies lost a thriller by the score of 63 to 58. Ken Whitney with 25 set the pace for the victors, while the Huskies countered with John Kelley (20) and Dick York (11).

Returning from vacation Gould traveled to Mexico, where they were stopped by the Pintos, 55-36. In this Western Maine Conference scrap the losers were led by Alex Foster, who swished 6 field goals and one free throw for a total of 13 points.

On January 10 Gould Academy was downed, 54-36, in a game played here in Bethel. Norway's balanced scoring turned the trick, although Paul Hamilton and Dick Ramage were tops for the losers with 14 and 10 markers.

After a close first period in a game on January 13, Mechanic Falls moved out in front by 12 points as the half closed to virtually seal a verdict over Gould. The final tally showed the hosts on the short side of the ledger, 61-33. Scoring honors went to Paul Hamilton with 15 and John Kelley with 9.

Coming on fast in the closing minutes, the South Paris Cardinals were able to defeat Gould Academy, 65-55. It was a tough loss for the fired-up Huskies, who throughout the entire game had played fine offensive and defensive ball. Even as the third quarter ended, Paris was ahead by only 2 points, but the final period proved to be a different story. Dick Ramage and Paul Hamilton captured the scoring honors with 36 points between them.

Gould's next game was played at the Norway Armory, where they dropped a 57-34 decision to powerful Mechanic Falls. It was all Charlie Lenahan as he supplied 32 points, while the invaders' Paul Hamilton tossed in 13.

Here in Bethel on January 31, Gould won their first game of the season by clipping St. Patrick's of Berlin, New Hampshire, 50-48. Paul Hamilton, playing his finest varsity game, showed the way with a 24-point performance. For once the locker room was filled with noise and excitement after the game!

Next we encountered Mexico in a game at Gould, but the Pintos' early lead was

enough to carry them on to victory, 56-51, primarily on the strength of Ron Kenoyer's 24 points. Dick Ramage paced the Huskies with 17 points and teammate Paul Hamilton added 14.

At Fryeburg on Saturday, February 4, Gould won its first Western Maine Conference game by trouncing Fryeburg Academy, 45-36. The Huskies were able to control the backboards during much of the game, thus setting the stage for their type of ball. Alex Foster with 12 points, Scott Cummings and John Kelley with 10 apiece led the invaders to victory.

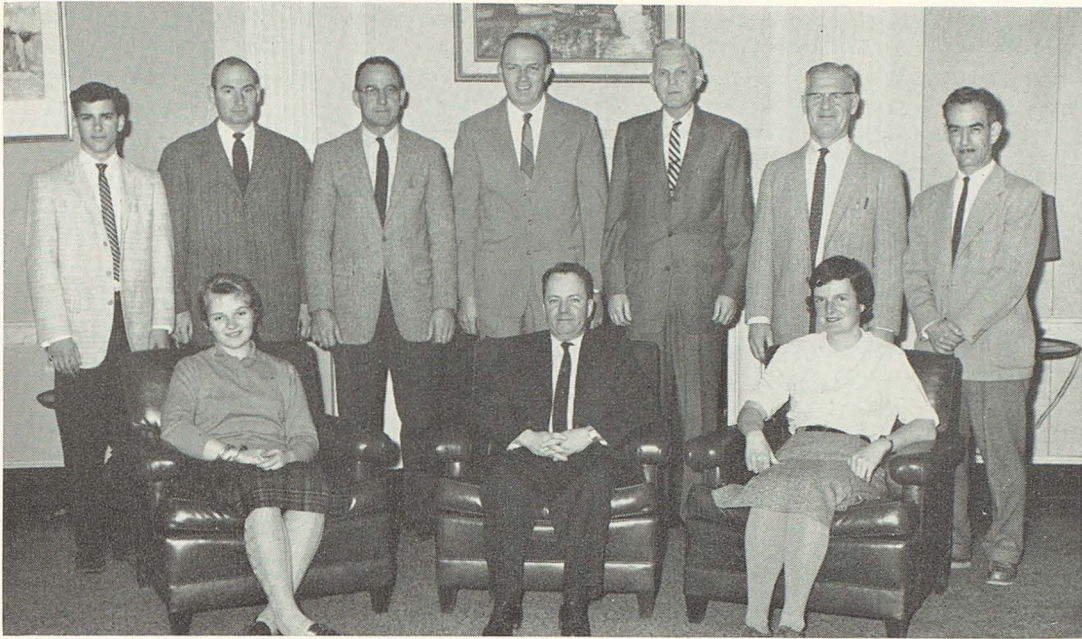

Norway followed, but their fast finish enabled them to trip Gould Academy, 59-42, although the visitors were ahead at the end of the first period. Once again Alex Foster was the high scorer, he being the only Gould cager to hit in double figures.

The finale proved to be the most exciting game of the year as Bridgton barely got by Gould — 51-49. The game featured four high-spirited seniors—Captain Alex Foster, John Kelley, Dick York, and Dave Lombard—playing their final game for dear old Gould. Alex Foster closed out his varsity career with an 18-point night, 16 of these coming in the first half on long set shots and short jumpers.

Coach Bowhay's J. V.'s had a fair season posting a 7 win and 7 lost record. Although they lost several close games, all of them proved to be very interesting and exciting. Congratulations are due Coach Bowhay for doing such a fine job with an inexperienced club. Yes, these are the boys who will be representing Gould during the next two or three years.

Returning next year will be Scott Cummings, Paul Hamilton, Owen Melville, Emerson Merrill, and Allan Ring, while coming up from this year's junior varsity squad will be Buddy Carver, Paul Imhof, Gordon Manuel, and Larry Smith. Undoubtedly all of these boys will see action by the time the 1961-1962 season has drawn to a close. We wish next year's team the best of luck and a winning season. Score! Score! Score!

Girls' Athletic Association

One of the most active organizations at Gould has completed a very successful year. Under the able leadership of president, Sally Burns; vice-president, Claudia DeMonte; secretary, Norma Kimball; and treasurer, Carol Bilderback, the Girls' Athletic Association has been an instrumental factor in the sports program.

Every girl enrolled in the school is an associate member of the organization and may attend the meetings and participate in all discussions, but will have no voting power or right to hold office. All girls who have earned ten points and paid 10 cents in dues are active members and have full voting power and the right to be an officer. The active members elect a council which consists of all officers, four class

representatives, seventeen managers, and twelve assistant managers.

The Association controls the point system of the well-supported intramural program. Girls may receive class numerals for 50 points, a school letter for 100 points, a letter pin for 150 points, and plaques are awarded to senior girls who have earned 200 points, have a rank of 70 or above, and have maintained a high standard of sportsmanship and school spirit. These points are obtained by going out for a sport and following the various requirements of that sport. Additional points are received for class teams, sports day teams, and the Blue and Gold team, which is comprised of the outstanding athletes of each sport. Five points

are earned for attending required practices; a member of the class team receives two points, Blue and Gold team one point, and sports day team three points. AA officers receive two points, managers three points, and assistant managers two points.

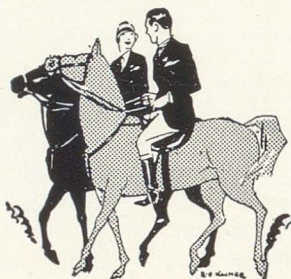

The Association is engaged in a series of events throughout the year. The special events include a welcome tea in September for all the new girls at Gould; a fall sports day with Kents Hill; an all school halloween party in October; a volleyball play day with Stevens in December; several all school skating parties; a winter sports day in February with Kents Hill; an apparatus and tumbling demonstration in April; a spring sports day in May; the annual Award Banquet; a council overnight; an association picnic, and the annual alumni softball game in June.

The G.A.A. is not only concerned with the girls' sports program. It is instru-

mental in maintaining school spirit; it is responsible for the cheering squad; it assists in ski meets, and it earns money by selling refreshments at football and basketball games.

The A.A. has established a reputation for doing every job well, and its members set an example of willingness, school spirit and school service, sportsmanship, and trust which can make every Gould girl proud. This active organization would not be able to function as successfully or obtain its many goals without the patient guidance and understanding of its adviser, Miss Duffy. The fondest memories many girls take away from Gould are concerned with the many activities of the Girls' Athletic Association.

Girls' Physical Education

Familiar to every girl at Gould Academy is the girls' athletic program, which, through its diversity of sports offered, provides an opportunity for stimulating participation. Basic skills are taught in the daily gym classes, while after school healthy intramural competition provides an application of these skills.

The fall program opened with hockey, archery, tennis, hiking and golf. This year the varsity hockey team scored a decisive defeat over Kents Hill in the annual Parents' Day meeting. Although the junior varsity lost their game, the success of their upperclassmates gave them a victorious feeling as well. The archery team proved superior to their foe, having chalked up many bull's-eyes for the day; the tennis team, however, was less successful in meeting the expert players from Kents Hill.

The second term brought a concentrated effort in the fields of volleyball and bowling, highlighted by a playday with Stephens High School of Rumford in December.

The advent of winter ushered in skiing, skating and basketball. This year the girls' ski team grew considerably in size and enthusiasm; the number of meets was increased to five. The instructional ski program was greatly improved this season as the sixty-five skiers received training from the Nils Torgensen Ski School. Basketball and skating found many enthusiastic participants as well, clearly illustrated by the loud cheers emitting from the gym and the sizable group of skaters braving the sub-zero weather.

As the brisk March wind and the first breaths of spring arrived on the Gould

campus, one saw the girls' gym filled with every type of gymnastic equipment. After school some girls entered for games of badminton and ping pong, while others practiced on the apparatus. The gym exhibition in April was the goal towards which all the gymnasts worked.

True spring weather found the athletes on the fields playing archery, softball or tennis, preparing for their annual trip to Kents Hill.

The governing body of the sports program throughout the year is the highly efficient Girls' Athletic Association, which holds an annual banquet in May to make awards earned on the basis of a point system.

Many thanks go to Miss Duffy, our very capable instructor, whose untiring efforts make the girls' physical education program a success every year.

ANN ORDWAY, '61

Boys' Physical Education

It has been recently cited that the American youth is not as physically fit as he should be. At Gould Academy with physical education being held five days a week instead of just once a week or every other day as in many schools, students at Gould are perhaps more physically fit than in other parts of the country.

Under the guidance of "Joe" Roderrick, gym classes are a lot of fun, and they condition the student. To begin a gym class everyone runs a set number of laps and does a small amount of calisthenics. After these have been done, some sport or gymnastic stunt is learned and practiced for the remainder of the class.

In the fall while the weather permits, classes are held out-doors. Sports like touch football and soccer are played. If the weather is too wet or cold, indoor sports are played. These will include volleyball and Indian ball. When the cold of winter comes, classes are always indoors. These indoor classes start with basketball. Students who know nothing about basketball are taught the fundamentals. Everyone plays a little basketball. After basketball "Joe" starts everyone in on the trampoline. He teaches students how to do the basic steps of trampolining. When everyone has learned a little about the trampoline, tumbling is the next thing to

be learned. Tumbling is very similar to trampolining except you use your own power and not that of the tramp.

After several weeks of tumbling, "Joe" teaches the art of self-defense to his classes. This is wrestling and boxing. After being instructed on the rules and holds, each student gets the chance to try his skill. The matches are in friendly competition, so no one gets hurt. During the winter months other gymnastic equipment, like the horse and parallel bars, is used a little. When the spring season arrives, classes move outdoors where track and field events are engaged in by everyone. Teams are chosen at this time of the year, and the two teams compete in softball games and in track events. This competition adds a little more enjoyment to the gym class.

During the year strength tests are given. These tell "Joe" if you are weak in some part of your body. Corrective exercises are given during the winter. These are to help correct a sunken shoulder or flat feet.

"Joe's" gym classes are an enjoyable break in the day for every student. Every boy learns a little about physical fitness and also gets a little knowledge on many other practical subjects from his gym class.
